

## 11. Extruder-cover part preparation

-  **For this step, please prepare:**
-  Extruder-cover (1x)
  -  M3nS nut (1x)
  -  Slide the nut all the way in.
  -  Ensure correct alignment using the Allen key.
  -  Leave the hole on the "arm" empty for now. We will use it later, while assembling a print fan.
